*The accompanying Explanatory Memorandum, Proxy Form
and Voting Instructions form part of this Notice of Annual General Meeting.*

PROXY AND VOTING INSTRUCTIONS

Proxy Instructions

A Shareholder who is entitled to attend and vote at this meeting may appoint:

- (a) one proxy if the Shareholder is only entitled to one vote; and
- (b) one or two proxies if the Shareholder is entitled to more than one vote.

Where more than one proxy is appointed each proxy may be appointed to represent a specific proportion of the Shareholder's voting rights. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes, in which case any fraction of votes will be disregarded.

The proxy may, but need not, be a member of the Company.

Where a Shareholder appoints two proxies, on a show of hands, neither proxy may vote if more than one proxy attends and on a poll each proxy may only exercise votes in respect of those shares or voting rights the proxy represents.

Proxies may be lodged using any of the following methods:

- online by visiting www.investorvote.com.au
- by returning a completed Proxy Form in person or by post using the pre-addressed envelope provided with this Notice to:
Computershare Investor Services, GPO Box 242, Melbourne, Victoria, 3001
- by faxing a completed Proxy Form to 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia);
- for intermediary online subscribers only (custodians), submit your voting intentions via www.intermediaryonline.com

not less than 48 hours before the time for holding the Meeting, or adjourned meeting as the case may be, at which the individual named in the proxy form proposes to vote.

The proxy form must be signed by the Shareholder (or in the case of a joint holding, by each joint holder) or his/her attorney duly authorised in writing or, if the member is a corporation, in a manner permitted by the Corporations Act. A proxy given by a foreign corporation must be executed in accordance with the laws of that corporation's place of incorporation.

If you sign the proxy form and do not appoint a proxy, you will have appointed the Chairman of the meeting as your proxy.

The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending this meeting and voting personally. If the Shareholder votes on a resolution, the proxy must not vote as the Shareholder's proxy on that resolution. A proxy form is attached to this Notice.

How the Chairman will vote undirected proxies

The Chairman of the meeting will vote undirected proxies on, and in favour of, all of the proposed resolutions (this includes Resolution 1, unless you are not eligible to vote on Resolution 1) even though Resolution 1 is connected directly or indirectly with the remuneration of a member of key management personnel, which includes the Chairman.

Proxies that are undirected on Resolutions 1

If you are eligible to vote on Resolutions 1 and you appoint the Chairman of the meeting as your proxy (or if he may be appointed by default) and do not direct the Chairman how to vote on Resolution 1, your shares will be voted in favour of Resolution 1, unless you indicate otherwise by marking the applicable box on the proxy form.

Corporate Representatives

Any corporation which is a Shareholder of the Company may appoint a proxy, as set out above, or authorise (by certificate under common seal or other form of execution authorised by the laws of that corporation's place of incorporation, or in any other manner satisfactory to the Chairperson of the meeting) a natural person to act as its representative at any general meeting.

Corporate representatives are requested to bring appropriate evidence of appointment as a representative in accordance with the constitution of the Company. Attorneys are requested to bring the original or a certified copy of the power of attorney pursuant to which they were appointed. Proof of identity will also be required for corporate representatives and attorneys.

Voting Entitlement

For the purposes of section 1074E(2)(g)(i) of the Corporations Act and Regulation 7.11.37 of the Corporations Regulations, the Board has determined that Shareholders entered on the Company's Register of Members as at 24th November 2019 at 9:30am (Melbourne, Victorian, daylight saving time) are entitled to attend and vote at the meeting. Transactions registered after that time will be disregarded in determining the Shareholders entitled to attend and vote at the meeting.

On a poll, Shareholders have one vote for every fully paid ordinary share held. Holders of options are not entitled to vote.

In the case of joint holders of shares, if more than one holder votes at any meeting, only the vote of the first named of the joint holders in the share register of the Company will be counted.

Special Resolution

Resolution 4 is proposed as a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

2019 ANNUAL GENERAL MEETING**PURPOSE OF INFORMATION**

This Explanatory Memorandum ("this **Memorandum**") accompanies and forms part of the Company's Notice of the 2019 Annual General Meeting ("**Meeting**") to be held at Adina Apartment Hotel, 189 Queen Street, Melbourne, VIC 3000 on Tuesday 26th November 2019 at 9:30am (Australian Eastern Daylight Time).

The Notice of the 2019 Annual General Meeting ("the **Notice**") incorporates, and should be read together with, this Memorandum.

ORDINARY BUSINESS**2019 Annual Financial Statements**

The 2019 Annual Financial Statements, comprising the Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2019 will be laid before the meeting. Shareholders will have the opportunity to ask questions about or make comments on the 2019 Annual Financial Statements and the management of the Company. A representative of the auditor will be invited to attend to answer questions about the audit of the Company's 2019 Annual Financial Statements.

The Company's 2019 Annual Financial Statements are set out in the Company's 2019 Annual Report which can be obtained from the Company's website, www.alteritytherapeutics.com or upon request to the Company Secretary at the Company's registered office:

Level 3, 62 Lygon Street, Carlton, Victoria, 3053, Australia (telephone +61 3 9824 5254).

There is no requirement for these reports to be formally approved by Shareholders. No resolution is required to be moved in respect of this item.

Ordinary Resolution – Resolution #1: Non-binding Resolution - Remuneration Report**Background**

Pursuant to the Corporations Act 2001 at the Annual General Meeting of a listed company, the Company must propose a resolution that the Remuneration Report be adopted.

The purpose of this resolution is to present to the Shareholders, the Company's Remuneration Report so that Shareholders may ask questions about or make comments on the management of the Company in accordance with the requirements of the Corporations Act 2001 and vote to adopt the Remuneration Report for the year ended 30 June 2019.

This resolution is advisory only and does not bind the Company. However, the Board will consider the outcome of the vote made by Shareholders on the remuneration report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings ("**AGM**") (treating this AGM as the first such meeting), shareholders will be required to vote at the second of those AGM's on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director and CEO) must be put up for re-election. The vote on the Remuneration Report

contained in the Company’s 2018 Annual Financial Statement was passed with the support of more than 75% of votes thus a spill resolution will not be required in the event 25% or more of the votes that are cast at the 2019 AGM are against the adoption of the 2019 Remuneration Report. However, in the event that 25% or more of votes that are cast are against the adoption of the 2019 Remuneration Report, shareholders should be aware if there is a ‘no’ vote of 25% or more for the same resolution at the 2020 AGM it may result in the re-election of the Board.

The Remuneration Report is contained within the 2019 Annual Report.

You may access the Annual Report by visiting the Company’s website www.alteritytherapeutics.com.

Voting Restrictions

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice. In particular, Directors and other members of the key management personnel details of whose remuneration are included in the 2019 Remuneration Report or a closely related party of those persons must not vote on Resolution 1 and must not cast a vote as proxy, unless the proxy appointment gives a direction on how to vote on Resolution 1, provided however that the Chairman may vote undirected proxies on behalf of persons eligible to vote on Resolution 1 where expressly authorised to do so on the proxy form.

Ordinary Resolution – Resolution #2: Re-Election of Director

At each AGM of the Company, one third of the Directors of the Company must retire from office by rotation, in accordance with the Company’s Constitution. The Managing Director is not subject to rotation. No Director (except a Managing Director) shall retain office for a period in excess of three years without submitting himself or herself for re-election. SPECIAL BUSINESS**Special Resolution – Resolution #4 Approval of 10% placement facility****1. General**

ASX Listing Rule 7.1A enables eligible entities to issue equity securities (as that term is defined in the ASX Listing Rules) up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less as at 1st September 2019. The Company is an eligible entity.

The Company seeks Shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 2(c) below). The Company may use funds raised from any 10% Placement Facility for funding of specific projects and/or general working capital. It may also use the 10% Placement Facility for non-cash consideration purposes such as joint venture, licensing or collaboration agreements or the acquisition of new products (although the Company presently has no proposal to do so).

The Directors of the Company believe that Resolution 4 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this resolution.

2. Description of ASX Listing Rule 7.1A**(a) Shareholder approval**

The ability to issue equity securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an AGM.

(b) Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company.

The Company, as at the date of the Notice, has on issue one class of quoted equity securities, being fully paid ordinary Shares.

(c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an AGM may issue or agree to issue, during the 12-month period after the date of the AGM, a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of the issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4; and
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue equity securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 2(c) above).

(e) Minimum Issue Price

The issue price of equity securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of equity securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed; or
- (ii) if the equity securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

3. ASX Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the equity securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

4. Specific Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The equity securities will be issued at an issue price of not less than 75% of the VWAP for the Company's equity securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the equity securities are to be issued is agreed; or
 - (ii) if the equity securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

- (b) If Resolution 4 is approved by the Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders’ voting power in the Company will be diluted as shown in the below table (in the case of unlisted options, only if the unlisted options are exercised).
- (c) There is a risk that:
 - (i) the market price for the Company’s equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the Annual General Meeting; and
 - (ii) the equity securities may be issued at a price that is at a discount to the market price for the Company’s equity securities on the issue date,
 which may have an effect on the amount of funds raised by the issue of the equity securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable “A” calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of the Notice.

The table below also shows:

- (i) two examples where variable “A” has increased by 50% and 100%. Variable “A” is based on the number of ordinary shares the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- (ii) two examples of where the price of ordinary securities has decreased by 50% and increased by 50% as against the Deemed Price (defined below).

Variable “A” in ASX Listing Rule 7.1A.2		Dilution		
		\$0.0165 50% decrease in Deemed Price	\$0.033 Deemed Price	\$0.0495 50% Increase in Deemed Price
Current Variable A	10% Voting Dilution	86,879,949 Shares	86,879,949 Shares	86,879,949 Shares

* Please note that the current number of shares on issue shown above is correct at the date of the Notice.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company’s shares on issue at the date of the Meeting;

- (ii) No unlisted options and/or warrants are exercised into fully paid ordinary securities before the date of the issue of securities under ASX Listing Rule 7.1A. The Company has an aggregate of 611,972,964 unlisted options and warrants on issue at the date of the Notice;
 - (iii) The table does not demonstrate an example of dilution that may be caused to a particular shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting;
 - (iv) The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the "15% rule";
 - (v) The price of ordinary securities is deemed for the purposes of the table above to be \$0.033, being the closing price of the Company's listed securities on ASX on 8 October 2019 (**Deemed Price**). The Deemed Price is indicative only and does not consider any discount to market that the securities may be placed at; and
 - (vi) The table does not demonstrate the effect of listed or unlisted options being issued under ASX Listing Rule 7.1A, it only considers the issue of the fully paid ordinary securities.
- (d) The Company will only issue and allot the equity securities during the 10% Placement Period. The approval under Resolution 4 for the issue of the equity securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities or ASX Listing Rule 11.2 (disposal of main undertaking).
- (e) The Company may seek to issue the equity securities for the following purposes:
- (i) non-cash consideration including for joint venture, licensing or collaboration agreements or the acquisition of new projects (although the Company presently has no proposal to do so). In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards advancing specific Company projects and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any equity securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the equity securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company were to pursue an acquisition and were it to be successful in acquiring new resources assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

- (f) The Company previously obtained approval for the 10% Placement Facility at its 2012, 2013 2015, 2016, 2017 and 2018 AGMs.

- (g) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities, and it is not proposed to do so between the date of the Notice and the date of the Meeting. No existing Shareholder’s votes will therefore be excluded under the voting exclusion in the Notice.
